Welcome to ACU

At ACU, we're a university unlike any other. Large enough to make our mark on the world, but small enough that you'll feel part of the ACU family.

At ACU, you will join an inclusive university that cares about your experience and respects where you have come from. We are a Catholic institution, but we value all faiths and the contribution each of our students can make to the world around them.

Our courses will equip you to make today's ambitions tomorrow's reality. All you need to do is bring your curiosity, past experiences, and your desire to make an impact. We'll supply the strong industry ties, a focus on practical learning, and a supportive, inclusive learning environment.

When you choose ACU, you'll be choosing more than just a university qualification from an overseas university. You'll be choosing a place to call home.
