

Class codes

In “My Timetable” each type of class has a code. The most common codes are in the table below.

Repeated classes

Repeated classes are indicated with a number: e.g. 01; 02; 03. You only need to select **one** of these classes.

Class Series

Some classes are offered as a series. These are indicated with a letter: e.g. TA; TB; TC. You need to select one activity from **all** of the class types in the series (in this case you need to select 1 activity from each of, TA, TB **and** TC).

Class Code	Class Type	Description
CC	Course check-in	Course discussion for first year students
EX	Assessment	In semester scheduled assessment requiring attendance
FXP	Practicum/Clinical	Clinical/Practicum placement days/weeks
GW	Group Work	
I	Intensive	Run in limited weeks during the semester
L	Lecture/s	Lectures can be run Live or Recorded
LT	Lecture/Tutorial	Combined Lecture and Tutorial class
LQA	Question and Answer	Class offered several times during semester for students choosing online lectures
P	Practical Class	
PP	PASS Program	Peer Assisted Study Sessions. Selection of PASS classes takes place in week 1
PCL	Practical - Computer Lab	
PN	Practical - Nursing Lab	
S	Seminar	
T	Tutorial	
W	Workshop	
WR	Workshop (Recorded)	A face-to-face workshop that is also recorded, available online at a later date via Canvas

Unit codes

Each of your units will display a code followed by the unit title.

BIOL121_4C_Sem1
 HUMAN BIOLOGICAL SCIENCE 1

The code is made up of

- The unit code (BIOL121)
- A campus code (4)
- A delivery mode code (C)
- The teaching period

Campus codes

1	Ballarat	5	North Sydney
2	Brisbane	6	Strathfield
3	Canberra	SAA	Adelaide
4	Melbourne	9	Blacktown
SRM	Rome		

Delivery Mode Codes

C	On campus
M	Mixed mode
OS	Online Scheduled

Units taught Online Unscheduled (OU) do not show on the timetable.
