

**Graduate Diploma in Design
and Technologies Education**
(Information last updated on 19 September 2022)

Students commencing prior to 2023 – Mid-Year intake

YEAR 1		
Professional Term 5	TECH500 Design Principles 10cp	
Professional Term 6	TECH501 Design in Timber Practical Workshop Intensive, 6 days 10cp	TECH504 Electromechanical Technologies Practical Workshop Intensive, 4 days 10cp
Professional Term 8	TECH502 Design in Timber 2 10cp (Pre: TECH501)	TECH503 Product Design 10cp
YEAR 2		
Professional Term 2	TECH605 Engineering Technologies 10cp (Pre: TECH504)	
Semester 1	EDTE599 Curriculum, Pedagogy and Assessment in Design and Technologies 1 10cp	
Semester 2	EDTE699 Curriculum, Pedagogy and Assessment in Design and Technologies 2 10cp (Pre: EDTE599)
