# Bachelor of Nursing

(Information last updated on 26 July 2024)

## PLEASE NOTE FOR THE MAP ABOVE

Students who do not follow the sequence recommended in their Course Map cannot be guaranteed a clash free timetable or completion within the normal course duration period. Any student studying outside the above sequence should consult with their Course Coordinator prior to enrolling.

## UNIT DELIVERY MODES

### C - Campus attendance

Learning activities or classes are primarily face-to-face at an ACU campus or approved ACU delivery site.

### M - Multi-mode

Learning activities are online with a compulsory attendance component (including examinations, practicums, residential etc).

### OU - Online unscheduled

Fully online with learning activities accessible at any time (including assessments).

### OS - Online scheduled

Fully online with learning activities held at scheduled times (including assessments).

## PREREQUISITES

- Prerequisites ('Pre:') are added in italics.
- Prerequisites are other units that you must have passed *before* enrolling in the unit.
- You will not be able to enrol in a unit in Student Connect if you do not meet the prerequisite requirements. (This will help stop you from enrolling in units incorrectly). You can find out about unit prerequisite requirements in your Course Enrolment Guide.
- Under some circumstances, you might be eligible for a prerequisite waiver.
- You can find out more about prerequisites and how to apply for a waiver on the [Student Portal](#)

## COURSE ADVICE

Students should in the first instance contact the school reception on their campus to make an appointment to meet with the Course Coordinator for course advice. Any student studying outside the above sequence should consult with their Course Coordinator prior to enrolling.
