God of all truth and goodness,
bless us as we gather here

In true wisdom and justice for all:
Through Christ our Lord. Amen.

Message from the Vice-Chancellor and President

Graduation is tremendously important and a joyous highlight of the academic journey.

I am honoured that this year's ceremonies will be my first as Vice-Chancellor and President, and I offer all of you receiving an award my personal congratulations.

Today is a day for celebration. Graduation marks the culmination of many years of academic endeavour, allowing you this moment to reflect not only on the knowledge you have gained, but also the personal relationships you have made. You have developed skills and connections that will reward you professionally and personally for the rest of your lives.

Now is also the time to look ahead. As our world faces extraordinary challenges, now more than ever our society needs an agile, innovative, ethical and compassionate new generation of contributors. Your experiences at ACU have nurtured your empathy, strength and resilience, and although the future is uncertain, you are well-equipped to face challenges and make a difference in the communities you serve.

I would like to thank you for your contribution to our ACU community. As a graduate, you now join a network of more than 119,000 ACU alumni and we encourage you to keep in touch, visit us often, and remain a part of our dynamic institution.

Your family and friends, and my colleagues at ACU and I are exceptionally proud of you and applaud your success.

Professor Zlatko Skrbis
Vice-Chancellor and President

ACU and our mission

THE UNIVERSITY

Australian Catholic University was formed on 1 January 1991 by the amalgamation of four Catholic tertiary institutions in eastern Australia. The university has eight campuses, one in Brisbane, three in Sydney and one each in Canberra, Ballarat and Melbourne. There is also an international campus located in Rome.

The institutions that merged to form the university had their origin in the mid-1800s when religious orders and institutes became involved in the preparation of teachers for Catholic schools and, later, nurses for Catholic hospitals.

Through a series of amalgamations, relocations, transfers of responsibilities, and diocesan initiatives, more than 20 historical entities have contributed to the formation of Australian Catholic University.

The governing body is the Senate, chaired by the Chancellor, with a membership drawn from academic and general staff, students, and community representatives.

The university offers courses to students in the Faculties of Education and Arts, Health Sciences, Law and Business, and Theology and Philosophy with a total enrolment of over 34,000 students.

THE MISSION STATEMENT

Within the Catholic intellectual tradition and acting in Truth and Love, Australian Catholic University is committed to the pursuit of knowledge, the dignity of the human person and the common good.

THE ACU MISSION

Australian Catholic University (ACU) engages the Catholic Intellectual Tradition to bring a distinct perspective to higher education. We explore cultural, social, ethical and religious issues through the lens of the Catholic Intellectual Tradition in our teaching, research and service.

By fostering and advancing knowledge in education, health, commerce, the humanities, the sciences and technologies, law, and the creative arts, ACU contributes to its local, national and international communities.

Our graduates will be skilled in their chosen fields, ethical in their behaviour, with a developed critical habit of mind, an appreciation of the sacred in life and a commitment to serving the common good.

Catalyst Clemente

In partnership with ACU and community-based organisations, the Catalyst Clemente program provides individuals experiencing multiple barriers to accessing higher education a free humanities-based education. Liberal arts subjects, such as philosophy and sociology, are offered to encourage students to think reflectively, engage in community, and create new life possibilities.

The collaboration of ACU and community agencies ensures that students are provided with all the academic rigours of a university-level education, while also being supported emotionally and spiritually through their journey.

University Patron Saint Mary of the Cross (MacKillop)

St Mary of the Cross (MacKillop) believed that we should never see a need without doing something about it, so hopefully her enthusiastic love for life and all people may influence the lives of students and staff at Australian Catholic University (ACU).

St Mary MacKillop has special significance for staff and students at ACU. Born on 15 January 1842 in Brunswick Street, Fitzroy, directly opposite the university's Melbourne Campus (St Patrick's), she dedicated her life to works and values which resonate deeply with the university's mission. Co-founder of the Sisters of Saint Joseph of the Sacred Heart, St Mary MacKillop is the only Australian to be canonized, making her Australia's first saint. She lived her later years on the site of the North Sydney (MacKillop) Campus. Her feast day is celebrated on August 8.

Her order opened schools and orphanages around the country, along with facilities for the homeless and refuges for former prisoners and prostitutes looking to make a fresh start. Her respect for the dignity of all people, her service of the disadvantaged, and her efforts to build the capacity of those communities she served are qualities which ACU seeks to instil in its staff, students and graduates, making her a worthy patron of the university.
